GATHER & GROW

A Networking Event for Alaska Outdoor Educators

Are you an Alaska outdoor educator looking for inspiration and connection? Join ANROE's monthly online networking event, where we bring together educators for engaging presentations on outdoor education topics. Each session features a guest speaker followed by an open discussion where you can share ideas, challenges, and successes with peers. It's a chance to learn, connect, and grow—all over your lunch break. Don't miss this opportunity to be part of a supportive and knowledgeable community of outdoor educators!
